# The Magnificent Fjords of Norway!

Featuring Five Stunning Ports in Norway & Iceland

👑 With a Wee Bit o' London and Scotland Too 👑

August 12 - 25, 2022

14 Day - 12 Night Cruise/Tour

From the wild Scottish highlands to the spectacular fjords of Norway to the bubbling geysers of Iceland, don't miss this opportunity to discover some of the world's most breathtaking landscapes! After a festive pre-cruise night in London, you'll visit Scotland's historic Edinburgh and the rugged beauty of its Orkney and Shetland Islands. Next, you'll cruise amongst the deep blue fjords, flowing waterfalls and sharp, snow-capped mountains of Norway as you visit remote villages where Vikings once lived. Norway is quite simply one of the most stunningly gorgeous places on earth. Then it's on to Iceland where there seems to be no end to the breathtaking countryside. In fact the term 'geyser' is named after the famous Geysir, a must-stop on the Golden Circle tour in Iceland. For a truly grand finale, the Star is docked overnight in Reykjavik, so don't miss out on the Blue Lagoon with its azure-colored water and otherworldly steam rising from the surface. What a perfect way to end your amazing cruise/tour to Norway and Iceland!
